NOTICE RE BRIEFING

In the upcoming round of briefing, the Court is especially interested in learning what specific denial of abortion or sterilization scenarios are covered by the new rule, but were not covered under the federal conscience statutes.

Please also advise whether the word “sterilization” as used in the Church Amendments was intended to cover transgender medical operations and/or gender reassignment surgery.

The parties shall please cite the specific authority they rely upon in answering these questions.

Dated: September 24, 2019.
